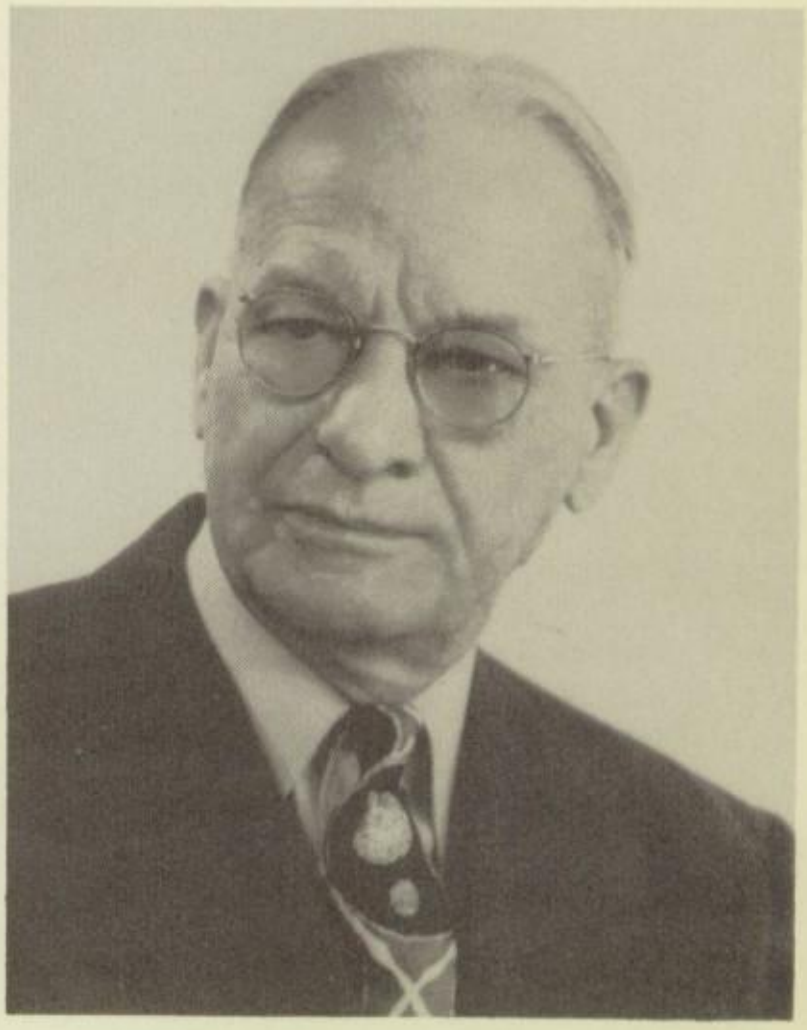
THE SENIOR CLASS OF

TERRELL HIGH SCHOOL

Dedication

MRS. R. B. TOOEY



MR. E. S. BOOTH

In sincere appreciation of the understanding, kindness, patience, and untiring effort of Mrs. R. B. Tooey, our pep squad sponsor, and Prof. E. S. Booth, our band director, we dedicate this annual to them.

They will always be remembered as a most important factor in our high school days for their part in sponsoring worth-while and ambitious performances, which helped to make Terrell High School and the Terrell Tigers known and respected. Their work does not end with the football season, but continues throughout the entire year.

Two people who are able to create such a wholesome school spirit and do such an excellent job are certainly very deserving of this recognition, which cannot, however, begin to give enough credit to them for their work.

THE JUNIOR CLASS HIT PARADE

Today we sometimes associate a certain song or tune with a famous personality, and when that person's name is mentioned, we immediately think of that song. Although T.H.S. students may not be famous, we sometimes hear songs that remind us of them. Putting our imaginations to task, we have dreamed up some personality—tune combinations for the Junior Class.

Gough Alexander—What Is This Thing Called Love?
Edward Bishop—I Love Me
Shirley Bogle—Lover Come Back to Me
Maymie Ann Boles—Buttons and Bows
Hollis Bowling—Mule Train
Curtis Briggs—A Little Fish in a Big Pond
James Bullock—I'm Busy Doing Nothing
Lavern Cates—Let a Smile Be Your Umbrella
Peggy Jo Cavin—I'm a Lonely Little Petunia
Anna Mae Cech—Manana (Is Soon Enough for Me)
Jim Ed Cobb—Hair of Gold, Eyes of Blue
Marie Cook—Who Do You Know in Heaven That Made You the Angel You Are?
Mary Ellen Darst—Information Please
Boone Daves, Jr.—I Haven't Time to Be a Millionaire
Joan Davis—Mighty Lak' a Rose
Suzanne Davis—I'm Satisfied with Life
Pat Dorsey—I'm Just a Pansy in a Flower Pot
Beaurene Farmer—A Cock-Eyed Optimist
Ina Farmer—Goody, Goody, Good
Oscar Fields—I'm Happy Being Me
Jimmy Gale—I've Got Plenty of Nothin'
Ora Nell Garner—Give Me a Song with a Beautiful Melody
Charlotte Gipson—It's a Big Wide Wonderful World
Sidney Greenwell—There's Nothing like a Dame
Oneil Harrell—It's My Lazy Day
Bennie Harris—Sunny Side Up
Beth Henderson—Five Foot Two, Eyes of Blue

Lavinia Hestes—Blues Stay Away from Me
Glenn Hill—Red Head
Robert James—Who'll Take My Place When I'm Gone?
James Johnson—Farming

TIGERS '49

The 1949 football schedule for the Tigers was very impressive. Only the best of available teams were scheduled for games.

The season started off with a bang as the Tigers lost to the powerful Garland Owls 20-6

The next week a "riled" Grand Saline team eked out a 13-7 win over the Tigers.

The third game was with a strong Mesquite eleven, which was held to a 0-0 tie.

The Tigers' first conference game was with Royce City, the Tigers running up a muddy 25-7 score.

The second conference game was with Plano at Plano. Although the opposing eleven was stronger and larger, the Tigers beat out a 13-6 victory.

For the first time in several years a Dallas "B" team was scheduled for a game. The Woodrow Wilson "B" team received a jolting 32-6 loss at the hands of the Tigers.

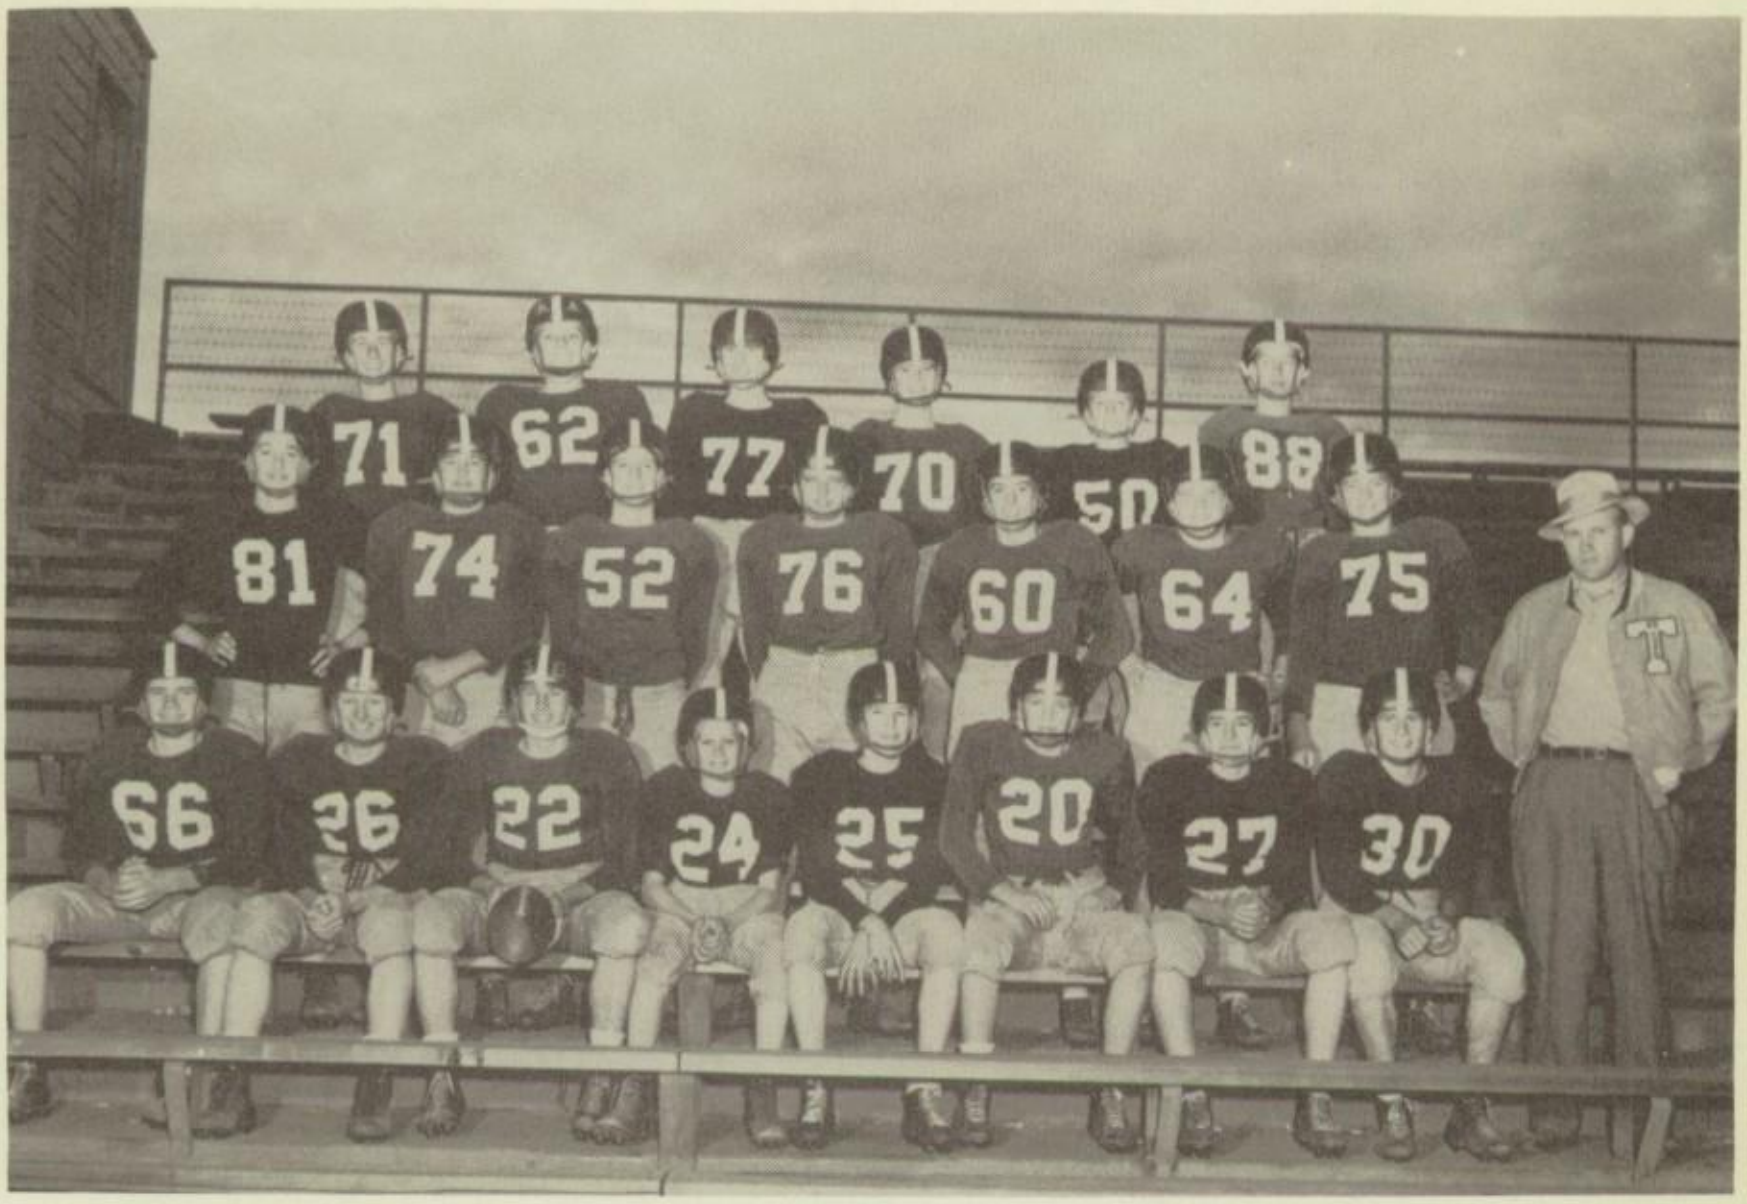
A "het-up" Tiger eleven journeyed to Athens for the district tilt. After a hard-fought game they ended on top of a 13-6 score, keeping the Tigers' victory rate at perfection for conference games.

The next week an extremely strong Rockwall team journeyed to Terrell to take a 13-6 beating at the hands of an outweighed Tiger clan.

As a preparatory game for Kaufman, the Tigers took a trip to Arlington for a non-district game, in which the fast-moving Arlington team rolled up a 34-14 win.

As a climax and finish to the '49 season the Tigers met their traditional rivals, the Kaufman Lions, who overcame the vastly outweighed, outrun Tigers 40-0.

The loss to Kaufman killed the Tigers' district championship hopes. The season, all in all, however, was successful, the Tigers losing only to teams that became the champions of their respective districts. Terrell wound up in second place in the district race.



FOOTBALL "B" TEAM

Top row: Charlie Jandrew, Glenn Raines, Don Blansett, John Bedinger, Don Springer, James Hunter.

Second row: Glenn Priddy, John Boles, Charlie Greene, Tommy Norton, Blain Duncan, Wade Driver, Larry Day.

Front row: Charles Crider, Rupert Henry, Wayne Boles, Bobby Clower, James Harris, Buddy Barnett, Sonny Willingham, Lavonne Cox, Coach Vineyard.

The Terrell High School Tigerettes, a fast-moving group consisting of thirty-six girls under the supervision and sponsorship of Mrs. R. B. Tooey, had a busy season helping the Tigers win their football games. Their chief interest this year was probably the gala Football Banquet sponsored by the Tigerettes and Band, and given in honor of the "A" and "B" Teams.

The Terrell Chapter of the Future Homemakers was organized in 1944, with fifty members. The organization is now six years old and has forty-eight members. All the past presidents are either married or away at college.

During National Week of Future Homemakers the Terrell Chapter decided to observe a hobo day to raise money for the state camp fund. All the girls put on their work clothes early in the morning of November 5 and went on their merry way to wax floors, wash windows, rake leaves, and do all the jobs the housewives could hardly get around to doing. Everyone seemed to have a generous heart; so the girls soon had their camp fund quota and money left to keep in their own treasury. The day ended with a weiner roast at the city park.

The following day, November 6, again all were out early to end the National Week of Future Homemakers with all attending the First Christian Church.

On December 3, 1949, Terrell made history. She was the hostess to all of the District III organizations of the Future Homemakers of America. New district officers were elected. Barbara Lyon walked off with the honor of district secretary. The theme of the day's program was "International Good Will." This day ended with a group of two hundred tired but happy Future Homemakers getting on their buses and going back to their home towns.

The programs for the entire year have been planned. These programs were based upon the eight purposes of the Future Homemakers of America.

Y-TEENS

THE Y-TEEN CLUB

The Purpose of the Y-Teens

To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians. In this endeavor we seek to understand Jesus, to share his love for all people and to grow in the knowledge and love of God.

The Y-Teen Club of Terrell High has been very active this year.

The theme for the entire year has been "Health and Safety," and this theme has been successfully carried out in every program.

The committees and their respective chairmen, which form the working part of the club and of which every girl is a member, are as follows:

Program Committee ..... Eddie Jean Jordan
Service Committee ..... Betty Jane Lewallen
Publicity Committee ..... Peggy Lovell
Social Committee ..... Nancy Roberts

These committees have been very active. The Service Committee has done several mentionable deeds of which we can be proud. One of these was the selecting, wrapping and sending of Christmas gifts to girls in the State Training School at Gainesville. Resolutions passed by this committee to eliminate traffic hazards in front of the school have been acted upon by town and school authorities.

The Program Committee has provided us with several excellent programs, including an impressive initiation service and the annual Christmas program.

The Publicity Committee has complied with everyone's wishes and has furnished the club with posters, cards, etc., for every event.

The Social Committee has planned and carried out several important social events, the co-ed party being on a "Winter Wonderland" theme.

DAFFINITIONS

Easter Holidays—another name for Vetch Day.

Billy Lockhead's definition of a hypotenuse—the part of the triangle that are not the legs of a right angle.

Reader's Digest definition of *denuded*—stripped bare.
Jack Whitesides's definition of same—striped bear.

Guidance—45 minutes of the teacher's telling what mistakes in life to make to be in the fix he's in.

Teacher—a brain (with a few exceptions) with four eyes, two ears, and plenty of detention slips.

Geometry—a round-about-way of proving something no one would ever dream of even thinking of in the first place.

Chemistry Laboratory—a place where one may blow his top (off).

Suzanne—Mr. Duncan, what is socialism?
Mr. Duncan—Well, socialism is when if you have two farms, you keep one and give one to the government, and if you have one farm you give half of it to the government and keep the other half. If you have two cows, you keep one and give the other one to the government.
Suzanne—What if you just have one *cow?*

Mrs. Tooey—Anne, what is a rhombus?
Anne—A rhombus is a square that looks like Miss Powell's been sitting on it.

OUR ELDERS AND BETTERS

She's helpful and sweet as they're made;
She has a sweet charm that won't fade.
When all's said and done,
We agree everyone
We're glad our Raike's not a spade.

They listened with all they could lend.
He hoped they would all comprehend.
The joke was all through,
But nobody knew;
So now T. R. says, "The End."

Miss Pearl and her drive for perfection
Has gotten to be an infection.
Though I'm careful to see
This is right as can be,
She'll tell me it needs some correction.

J. C., he's a smarta man.
He teacha mucha class.
'Tis funny—under him, I swear,
I never canna pass.

Now T. R., he's a cheerful man.
But talka kinda slow.
And how he move around so fast
I never willa know.

Miss Lackey, she's a gooda soul.
Her class has mucha charm.
To stay with her another year
Can do no greata harm.

He that doeth his work on time,
He that thinketh home-work fine,
He that careth not for girls,
He that thinketh teachers pearls,
He that cheweth not bubble gum,
He that findeth football glum,
He that loveth his studies well,
He that thinketh all Shakespeare swell —
He might be quite off his beam;
He is.

"Now be quiet, Seniors," says Mrs. Davis;
"I want you all to hear
About this insane lady
Who was a victim of Shakespeare."

Bill rises to his feet at once
And stands up straight and tall.
"Pardon me," he says to her,
"But, Madam, aren't we all!"

Miss Lackey—Robert, whom did Shakespeare marry?
Robert Lewis—Mrs. Shakespeare.

After Mrs. Orahood had finished dictating a long letter to the class, she added, I went a little fast. Did everyone keep up?"
Peggy raised her hand. "What came after 'Dear Sir'?"

Scene: Spanish class
Miss Powell: Now, class, you should be able to recognize the verb *burlarse* by associating with the English word *burlesque*. What does *burlesque* mean?
Class begins to giggle.
Miss Powell: Oh, *burlesque* doesn't just mean that kind of show you are all thinking about. Lots of things could be a *burlesque*—for instance, a *take-off*-----
Buddy: What kind?

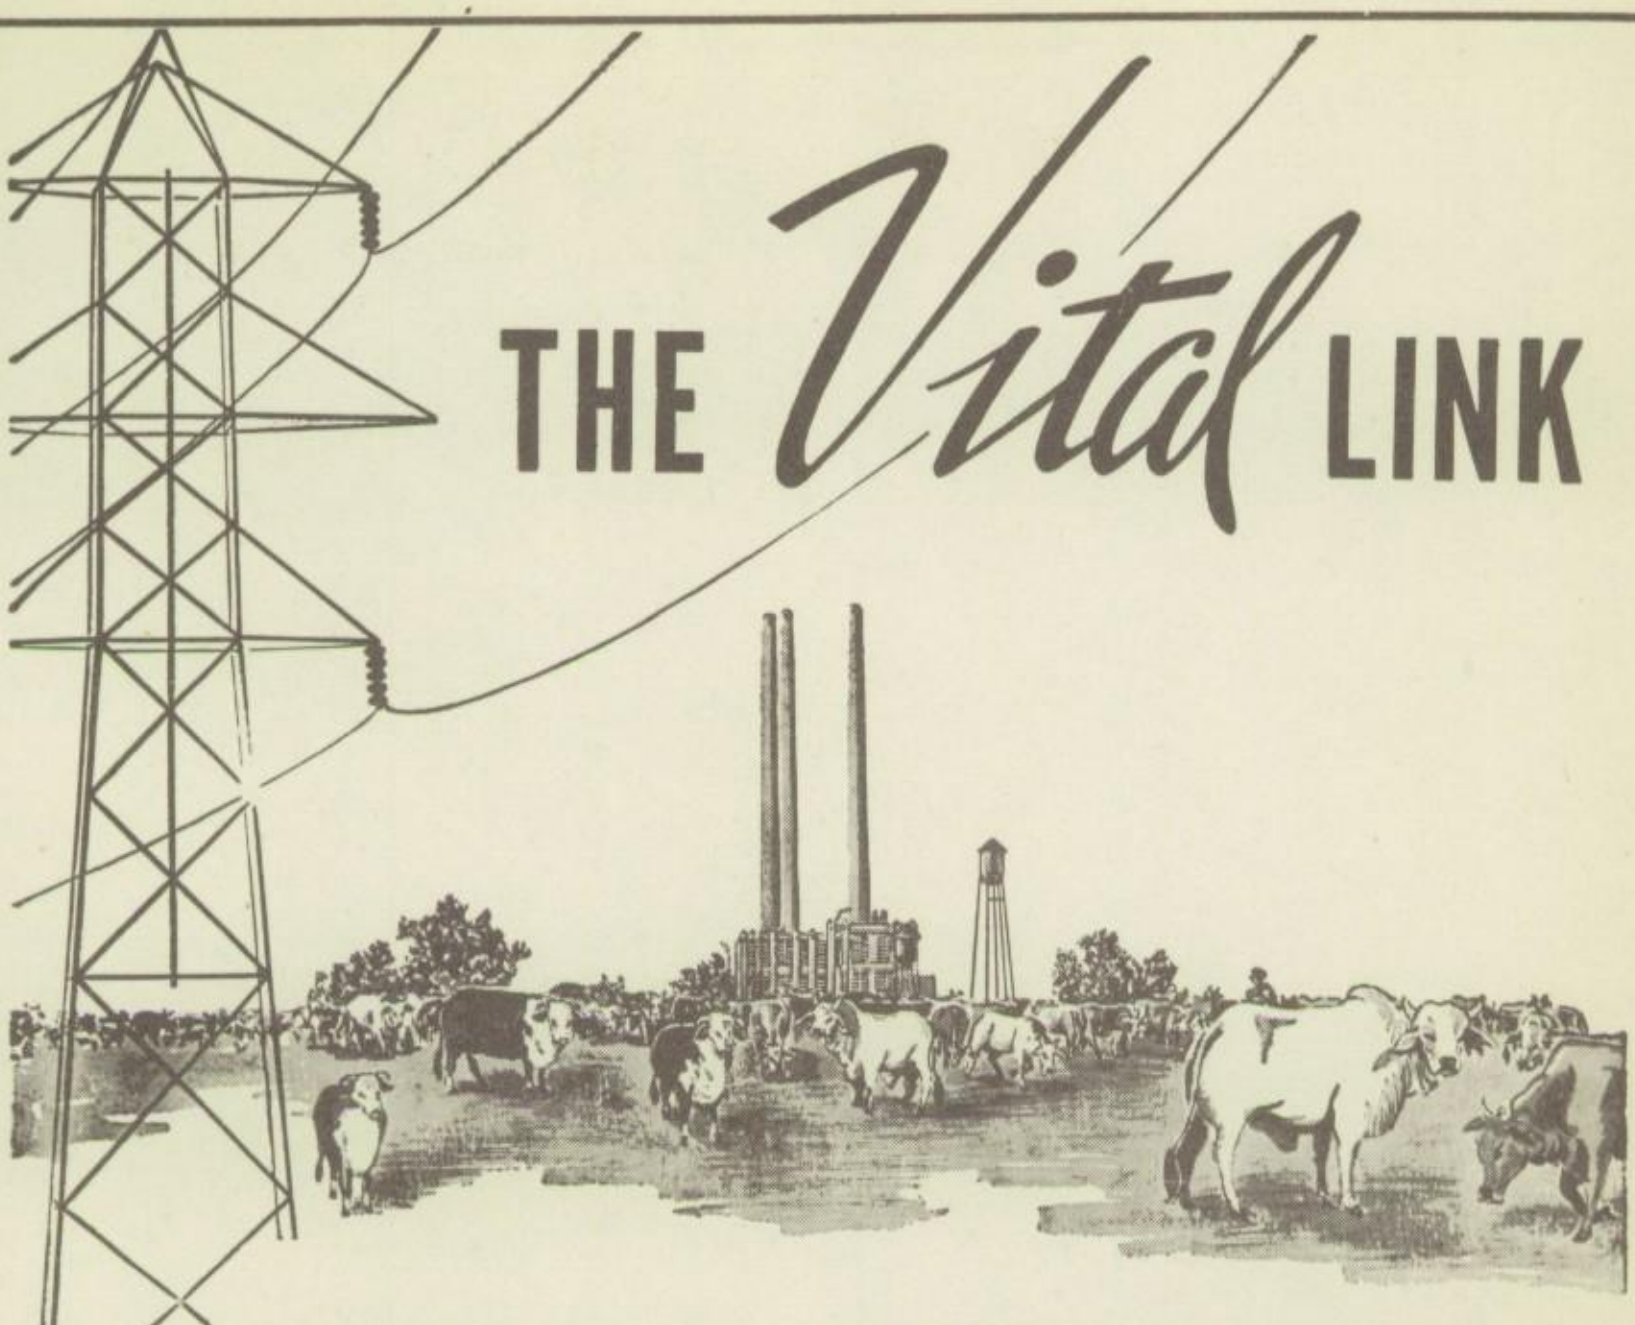
THE *Vital* LINK



IN TEXAS' INDUSTRIAL AND AGRICULTURAL DEVELOPMENT

Not too many years ago, the burden of building our great state rested upon the shoulders of strong, sun-tanned Texas pioneers. They fought their way across the vast expanse of plains, overcame mountains of hardships, and by sheer determination, moulded the first form of Texas agriculture.

Texas farming and ranching today provides America with the most varied and nutritious diet in her history . . . enabling us to feed famished millions the world over . . . and because of the endless stream of raw materials, jobs are made possible for thousands of men and women in our Texas industries and hundreds across the nation.

The introduction of high-voltage electric power transmission lines by the Texas Power & Light Company in 1913 contributed the vital link needed for the furtherance of industrial and agricultural development. TP&L is farm-experienced and farm-minded. For 36 years Texans have witnessed a continuing demonstration of Texas Power & Light Company's dependability and economy. Today, TP&L is the electric power source to more than 250,000 customers, of whom more than 87,000 are farm and rural families.

More than 15,000 miles of transmission and distribution lines, including 9,000 miles of rural lines, in the area served permit farms, ranches and industries alike, to have dependable, low-cost TP&L electric power when and where they need it.

With the same foresight and careful management demonstrated by those Texans who founded this Company, Texas Power & Light Company is constantly planning and building for the future needs of the farms, homes, businesses and industries that are making Texas the most desirable state in which to live and work . . . a greater Texas of the future.
